

DRAWINGS AMENDMENTS

Add new FIGs. 10 through 13 as attached to the end of this paper.

REMARKS

The Specification has been amended in form to conform to USPTO practice. Further, additional material has been added in connection with new FIGs. 10-13.

New FIGs. 10-13 have been added to show alternative embodiments of the invention.

The Claims have been amended to conform to USPTO practice and to remove multiple dependencies.

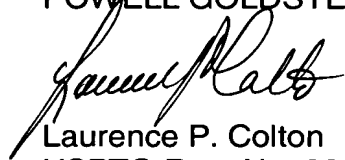

The Abstract has been amended to conform to USPTO practice.

A Substitute Specification with the Claims and Abstract, all as amended, is being submitted for the examiner's convenience.

CONCLUSION

Applicants submit that the patent application is in condition for examination and allowance and respectfully request such actions. If the examiner has any questions that can be answered by telephone, please contact the patent attorney of record at the telephone number listed below.

Respectfully submitted,
POWELL GOLDSTEIN LLP

Laurence P. Colton
